

INTRODUCING AIR CANADA JETZ ON SELECT FLIGHTS

AIR CANADA JETZ

While our favourite sports teams are on hiatus, we're bringing our special fleet of Air Canada Jetz Airbus A319 aircraft on select flights for added comfort and space, beginning June 1, 2020:

- Toronto (YYZ) - Montreal (YUL)
- Toronto (YYZ) - Ottawa (YOW)

Flights will be departing from prime gate locations and begin boarding only 25 minutes before departure.

Air Canada Jetz A319s feature in-seat power and on-board Wi-Fi (available for purchase)

Spacious recliner seats with 42-49 inch seat pitch, as compared to our mainline A319 Business Class pitch of 37 inches.

The aircraft features only 58 seats, as compared to the 120 seats on our mainline A319s - an exclusive offering and spacious cabin configuration providing more comfort and less waiting time when boarding and deplaning.
